Caribbean Export is pleased to invite you to the Caribbean Investment Forum 2025 (CIF 2025), the region's premier investment event bringing together global investors, innovators, and changemakers. Taking place in Montego Bay, Jamaica from **July 29–31, 2025**, this high-level forum will provide access to strategic opportunities in four transformative sectors:

- **Green Economy Transition**
- **Digital Transformation**
- **Sustainable Agriculture**
- **Logistics and Transportation**

As a European investor, your presence will be vital in deepening cross-regional investment linkages and fostering dynamic partnerships to drive sustainable growth.

Step-by-Step Process for European Investors

To ensure seamless registration and onboarding experience, please follow the steps outlined below.

Step 1: Complete the Investor Registration Form

All prospective investors are required to submit the official CIF 2025 Investor Form to initiate the registration process.

The form is available via the following link: <https://form.jotform.com/251035794567869>

Step 2: Due Diligence and Review

Upon receipt of your submission, the Caribbean Export Development Agency will conduct a standard due diligence review.

This process is intended to:

- Confirm the legitimacy and investment readiness of all applicants

- Ensure alignment with CIF 2025's strategic investment goals
- Facilitate meaningful and high-value matchmaking with Caribbean stakeholders

The European Union may offer financial and logistical support to a limited number of eligible European investors interested in participating in the CIF, as part of the regional actions leading to the 2025 EU-CELAC Summit. Specifically, logistic support and a co-financing scheme covering up to 50% of the total eligible expenses, including flight tickets and accommodation, up to 2,000 euros (two thousand euros) per participant and company (just one person sponsored by company) could be covered in specific cases. The deadline to submit applications for this support is **Sunday, 22nd June, by 11:00 PM** (AST, Barbados time).

European investors wishing to benefit from this support will be further screened for eligibility before a decision is taken. This process aims to ensure strategic alignment with the European Global Gateway Strategy, and alignment and interest in the key sectors outlined in the Global Gateway Investment Agenda for the Caribbean.

The due diligence steps may involve a request for additional documentation or a short virtual consultation to better understand your interests and capabilities.

Step 3: Approval and Confirmation

Once the applicant review is satisfactorily completed by Caribbean Export and the European Union, Caribbean Export will formally reach out to confirm your participation. Approved investors will receive:

- A complimentary investor ticket.
- Where applicable, dedicated logistics contact to follow up on the financial support package provided by the European Union.
- An official investor badge.
- Access credentials for the CIF 2025 platform, including pre-scheduled meetings, B2B sessions, and on-site investment villages.

These materials will be emailed to you in advance of the event and will also be available for collection on-site at the Montego Bay Conference Centre during registration.
